John,

Consider this email as documentation of your approval of a 30 day extension to November 7, 2014. Attached are scanned copies of documents that were found on site with your company name on them. If you have any further questions feel free to contact me.

Subject: Request for information re SBD

Good morning again, and thank you for calling me.

This email is to document our request for an extension until November 7, 2014 for our submission of our answers to the questions contained in the letter we received from the US EPA regarding Superior Barrel and Drum. We also wish to request copies of any documents that might be available relating to our business relationship with SBD to assist us in our replies.

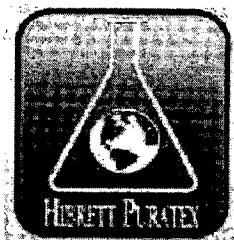

While I am not sure how long I will be working from my home, I am always available on my cell phone.

With my appreciation and best regards,

489746

John P. J. Madden
President
